**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having access multiple internet providers is essential. I live in an underserved area in San Francisco and have used Comcast and AT&T in the past. In both cases the service they provided was marginal and I was subject to sudden rate hikes without notice. Providers like Sonic and Monkey Brains have been able to provide me with much better service at a lower cost.
